

Background Check Authorization

Pursuant to applicable law, I hereby authorize the Northfield Village Caucus and its designated agents and representatives to conduct a comprehensive review of my background, including through a consumer report and/or an investigative consumer report to be generated (if applicable) to evaluate my qualifications and fitness as an elected official of the Village of Northfield, in the position of Village Trustee or Village President. This also may be accomplished through correspondence, interview or other research with neighbors, friends, family and associates with whom I may be acquainted or who may have knowledge on the listed matters. I understand that the scope of the inquiry and/or consumer report/investigative consumer report may include, but is not limited to, the following areas: references and criminal history, including records from any criminal justice agency in any or all federal, state or county jurisdictions; general reputation, personal characteristics, motor vehicle records, including traffic citations and registrations and any other public records.

I, _____, authorize the release of these records or data pertaining to me that an individual, company, or public agency may have. I hereby authorize and request police departments, or other persons having personal knowledge of me to furnish the Northfield Village Caucus or its designated agents with any and all information in their possession regarding me in connection with the application for an elected official position. I am authorizing that a photocopy of this authorization be accepted with the same authority as the original.

I understand that, pursuant to applicable law, if any adverse action is to be taken based upon any consumer report, a copy of the report and a summary of rights will be provided to me.
