Nominating Committee

July 2014

Village of Northfield Elections 2015

Dear Northfield Resident:

This is the time for preparation for the forthcoming round of Northfield Village elections. As village residents, we all want to maintain Northfield's great character and ensure its vitality in the future. We need the best possible leaders to guide us. In the April 2015 elections, the following positions will need to be filled:

- Three Village Trustees standing for full four year terms
- One Winnetka Northfield Library Board Trustee standing for a full four year term

In a non-partisan way, the Caucus assembles the ideas and concerns of village residents and distills them into basic policy and goals. The summarized Platform serves as a guide for the selection of Trustee candidates who are compatible with the tenets of the Platform. The Caucus invites village residents interested in holding these positions to discuss with it the issues, their personal credentials and their level of interest in serving. After the interview process, the Caucus votes a slate of candidates for recommendation to the electorate.

Attached is a copy of the current Platform together with a brief description of the position(s). Please consider completing the enclosed candidate application form. Northfield needs a few good people! Make it you!

Consider giving back to the community we know and love. If you are unable at this time to consider candidacy for the positions above, please think about joining the Northfield Caucus as a representative member of the community, or making a financial contribution to support its efforts. Last and certainly not least, consider approaching other village residents whom you believe might be interested and encourage them to think about any of these ways to help the Village.

We look forward to hearing from you should you have any questions or can suggest additional qualified candidates.

Sincerely,

Nominating Committee
